Druggists Here Have Something New for Colds

Applied Externally, the Body Heat Releases Ingredients in Vapor Form

COLDS GO OVER NIGHT CROUP IN 15 MINUTES

The Manufacturers Have Authorized the Local Druggists to Sell Any of the Three Sizes, 25c, 50c, or \$1.00, on 30 Days' Trial.

Since its introduction here a short time ago, the new treatment for cold troubles, known as Vick's VapoRub, has aroused a great deal of interest among local people, especially among mothers with small children.

Local druggists report that numbers have taken advantage of their 30 days' trial offer to see if a 25c jar of VapoRub really will relieve these troubles externally, without having to "dose" with nauseous internal medicines.

For croup, coughs, chest colds, sore throat or bronchitis, apply VapoRub all over the throat and chest, covering with a warm flannel cloth. Leave covering loose around the neck so as vapors arising may be freely inhaled.

In addition, VapoRub is absorbed through and stimulates the skin, taking out that tightness and soreness in the chest. For head colds, catarrh, fever, or asthmatic troubles, VapoRub can either be applied up the nostrils or a little melted in a spoon and the vapors inhaled.

You have to try this treatment to realize its remarkable effect in all cases of cold troubles.

STOMACH UPSET?

Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

If you have a bad taste in your mouth, tongue coated, appetite poor, lazy, don't-care feeling, no ambition or energy, troubled with undigested foods, you should take Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without griping, cramps or pain.

Take one or two at bedtime for quick relief, so you can eat what you like. At 10c and 25c per box. All druggists.
